Adaptive Digital Mixer For Podcasting and Streaming, Featuring Mix Agent™ Technology

DLZ CREATOR

Adaptive Digital Mixer For Podcasting and Streaming, Featuring Mix Agent™ Technology

Better. Faster. Creator.

DLZ Creator is an adaptive digital mixer that enables creators of all levels to quickly get pro results for podcasts, YouTube, and live streaming.

DLZ Creator is designed to make you a better content producer. Mix Agent™ is your personal audio assistant that guides you through setup, including setting your gain levels.

AutoMix manages levels for up to 4 mics, so everyone can always be heard. Using Mix Minus with your Bluetooth®-connected smartphone brings a caller into your mix with no audible echo.

The flexible design includes recording/streaming to computer, SD card, or USB flash drive.

FEATURES:

- Get pro results at any experience level
- Mix Agent™ assists in setup and more
- AutoMix manages levels for up to 4 voices
- Connect call-in guests via Bluetooth
- Record/stream to computer, flash drive or SD card
- 4 Onyx80 mic preamps
- 10.1" touchscreen

APPLICATIONS:

Podcasting, broadcasting, live streaming, and many, many more.
